

# Bulk Coin Scale

Save time, increase efficiency

**Sigma 50 is a fast & accurate coin counting machine. Specially designed to count bulk quantities of coins, the Sigma 50 is guaranteed to save you time, improve your operation's efficiency and help prevent loss.**

## Functions

- Counts loose coins in bulk
- Designed for use with self-service checkouts
- Compatible with all types of coin hopper
- Pre-programmable for 50+ hoppers

## Features

- 10 hour rechargeable battery and mains supply
- Space saving design frees up desk space
- Easy to read graphical display
- Intuitive & hard-wearing, fully sealed silicon keypad
- Printer port - allows you to print a full breakdown in seconds
- Robust design - ideal for the demanding retail environment
- Real time clock - ideal for audit trails and spot checks

## Benefits

- Saves you valuable time
- Eliminates manual counting errors
- Allows you to conduct instant spot checks

## The Facts

- Counts, on average, 6 times faster than traditional hand counts
- Highly accurate and easy to use
- Counts silently with no moving parts
- Embedded intelligence - the Sigma 50 is constantly learning
- Unrivalled 32-bit technology

**Designed for processing large quantities of coins, compatible with all types of self-service checkouts. Sigma 50 assists with cashing-up, instant cash checks and banking.**

# Sigma 50
